

Inner West Busway along Victoria Road

Notification date – 28 October, 2009

IMPORTANT INFORMATION

Night work to remove and replace the median on Victoria Road, Drummoyne

Work to replace the median on Victoria Road between Iron Cove Bridge and Park Avenue will start on Sunday 1 November, 2009. Over 7 nights or less, weather permitting. The work will be noisy and involves saw cutting and jack hammering to excavate the existing median.

Working hours

The work will be done at night on Sunday to Thursdays from 7pm to 5am. Noisy work, such as saw cutting and concrete breaking will stop at midnight. Other activities carried out from 12am to 5am may be audible to residents in the immediate vicinity of the work.

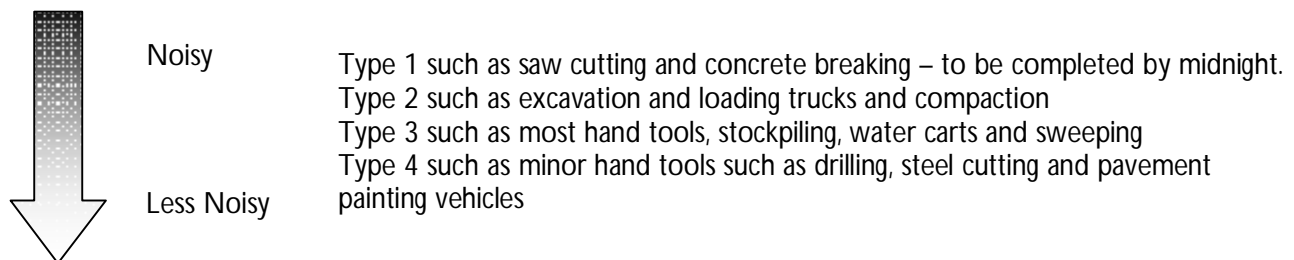

If you experience extended periods of noisy work and have concerns, please contact the community relations team on 1300 780 841.

Lane closures

Road lanes will be closed during this time. Traffic management crews will direct drivers safely around the work area. Please take care and follow the signs.

Important information about noise during construction for residents

The impact of noise will vary depending on your proximity to the noise source, protection provided by other structures and the type of building you reside in. Noise levels have been identified in the project's *Construction Noise and Vibration Management Plan*, ranging on a scale of one to four. To view the noise plan please visit the project website at www.innerwestbusway.com.au.

Need more information?
