

## Inner West Busway along Victoria Road

### IMPORTANT INFORMATION – 12 March, 2010

#### Weekend work on Henley Marine Drive between Formosa Street and Cary Street, Drummoyne

Construction of the bridge deck in Drummoyne will commence on Friday, 19 March 2010 with the placement of eight concrete girders over Henley Marine Drive. The girders will be placed between the bridge abutment and the bridge pier.

The 'Super T' girders will be transported to the site by four large trucks under transport safety escorts. Two cranes will install the girders. The cranes will be parked at the bridge abutment and in the construction compound in Drummoyne.

Safety hand rails will be installed on the girders each night. The work will generally involve low-noise work, however bright lights will be required.

Intermittent periods of high noise levels will be unavoidable and may be experienced by residents in the immediate vicinity of the work between 12am and 5am. The noise levels will be monitored by an independent noise consultant.

#### Working hours

To minimise the impact of construction on traffic flow, Bay Run users, local businesses and to complete the activity as quickly and safely as possible, the work will be carried over the following two nights:

- o 10pm Friday 19 March to 10am Saturday 20 March, and
- o 10pm Saturday 20 March to 10am Sunday 21 March.

#### Lane closures

Henley Marine Drive will be closed to vehicles, cyclists and pedestrians between Formosa Street and Cary Street on both nights between 10pm and 8am. Detours will be in place and traffic controllers on site will provide directions.

The clip-on lane on Iron Cove Bridge will be closed between Clubb Street in Rozelle and Park Avenue in Drummoyne on both nights between 11.30pm and 10am. You will still be able to turn left into Park Avenue from Victoria Road.

Vehicular and pedestrian access to Henley Marine Drive will be permitted during the day between 8am and 10pm. Access to local businesses near the Iron Cove Bridge, including The Cove Café, will be maintained.

#### Need more information?

Please call the 24 hour community relations line on 1300 780 841 or email [victoriaroad@btba.com.au](mailto:victoriaroad@btba.com.au). Further information can be found on the Inner West Busway project website at [www.innerwestbusway.com.au](http://www.innerwestbusway.com.au).
