Inner West Busway Rozelle Bus Lane

Opening 14 December 2009

Faster journeys to the City

More reliable and efficient bus services

Inner West Busway **Rozelle bus lane opening 14 December 2009**

Stage I of the Inner West Busway between Terry Street and The Crescent, Rozelle (1km) will open on Monday 14 December 2009.

For the 8,000 passengers on 170 buses, who travel between the Gladesville Bridge and The Crescent during a typical morning peak this will mean:

- ✓ Faster journeys to the city
- ✓ More reliable and efficient bus services.

Busway construction will continue in Drummoyne in 2010.

When complete, the busway will provide 3.5km of new, dedicated peak hour bus lanes through Drummoyne and Rozelle.
